NOTE (12/2 Revision)

We noted that we were scoring teams based on High School and Middle School overall points.

We revised scoring for teams based on top 5 points per team by category. This shuffled some team scores, but ultimately made it more consistent with series scores by category and the team race tighter. Thank you for your support.

NOTE (12/7)

Team scores based on all known rider times from 3rd event as of 715pm Monday
